9 DAVID THOMAS WARREN,

10 Petitioner,

11 vs.

12 CATHERINE CORTEZ MASTO,

13 Respondent.
14

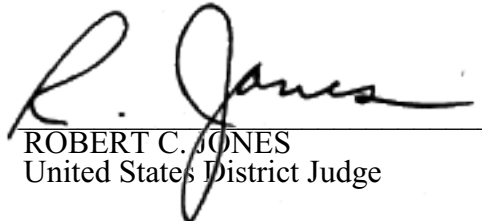

Case No. 3:14-cv-00479-RCJ-VPC

ORDER

15 Petitioner has submitted a request for clarification and extension of time (#9). Petitioner
16 expresses confusion with naming the warden of the prison as a respondent, because the sentence he
17 is challenging has expired. Regardless of the status of that sentence, petitioner is in prison, and the
18 correct respondent is the warden of that prison. The court will give petitioner additional time to
19 submit an amended petition that corrects the defect.

20 IT IS THEREFORE ORDERED that the request for clarification and extension of time (#9)
21 is **GRANTED** in part. Petitioner shall have through January 16, 2014, to file an amended petition
22 in accordance with the court's earlier order (#5).

23 Dated: This 30th day of December, 2014.
